Dear Parent:

School choice legislation that would include vouchers and an increase to the widely successful Educational Improvement Tax Credit (EITC) program is up for debate in Harrisburg. We need to demonstrate a strong show of support from parents, educators, Catholic school alumni, parishioners, and all citizens and taxpayers. Our state legislators need to hear that their constituents believe that school choice is the right choice for Pennsylvania's future.

Not every qualified student will choose a Catholic school if this legislation passes, but it is likely that many will. We can already attest to how the EITC has helped our school; school choice will allow even more families the opportunity to receive a Catholic education. More students in our classrooms is good news for our schools; more students will help keep Catholic schools vibrant and available to more families. If you would like to learn more about school choice, go to www.pacatholic.org/schoolchoice.

Please sign and return the two blank letters enclosed in today's packet by tomorrow. We will hand deliver all the letters from this school to our State Representative and State Senator. Even if you have already contacted our legislators on this issue, it is good to do it again.

Thank you for your participation in this important advocacy effort.

Mr. James A. Jones
Principal

Mrs. Mary Jane Kozick
Vice-Principal

RE: Please Support School Choice

Dear State Senator:

As your constituent and a concerned citizen, I strongly support school choice. It is the right choice for Pennsylvania's future.

Please vote YES on legislation that would offer school choice to many families by creating a voucher program and increasing the successful EITC program.

On behalf of Pennsylvania's students and parents, thank you for supporting school choice.

Sincerely,

Signed
