

## Good Shepherd Academy Internet Agreement

This is an agreement between STUDENT: \_\_\_\_\_,  
his/her PARENT/GUARDIAN: \_\_\_\_\_, and GOOD  
SHEPHERD ACADEMY, ITS STAFF AND ADMINISTRATORS.

This student will have access to the Internet during school hours. Good Shepherd Academy has taken every foreseeable precaution to prevent access to objectionable sites and utilizes appropriate filtering software and security settings for this purpose; however, it is understood that no system is flawless.

The student has been instructed in the rules of the Internet while at Good Shepherd Academy and these rules will be regularly reviewed.

The student and his/her parent/guardian agree to the following **RULES**:

1. At no time will the student be on the Internet without teacher supervision.
2. The student will initially be directed to the required Internet site, however, as instruction progresses, the student will conduct searches using "key words." If the student knowingly, willfully, and/or maliciously types in objectionable "key words," the student will immediately be removed from the classroom and will face consequences such as, but not limited to: notification of parents, removal from the class for the semester, denial of future access, or other appropriate disciplinary action.
3. The teacher and/or network administrator will review visited sites regularly. The system tracks the specific sites visited on the specified date and time. The student is solely responsible for his/her assigned computer on his/her assigned date and time. For this reason, the student must remain at his/her assigned computer at all times during class, unless otherwise directed by the instructor.
4. While at Good Shepherd Academy, use of the Internet is strictly for educational purposes.
5. For the safety and enjoyment of all students, use of chat rooms, message boards, and email is strictly forbidden.

The undersigned student agrees to the above regulations. The undersigned parent/guardian agrees to the above regulations and grants permission for the student to access Internet at Good Shepherd Academy during school hours.

*This Agreement must be returned immediately to Good Shepherd Academy. Students will not be allowed to access the Internet without a signed copy of this Agreement on file.*
