FYI Forensics Ltr

Dear Parents,

January 11, 2012

Due to the huge turnout for Spring Forensics we are approaching try outs this semester a little differently.

All Junior Varsity teams trying out will be given the same skit to practice. This will allow for a very fair playing ground for all.

Each team received the skit today, January 12, 2012. They will practice on their own at home and with coaches on Wednesday, January 18 and January 23. Tryouts for Junior Varsity will be January 25. All practice times will be 2:15-3:30.

Skits for tryouts DO NOT NEED TO BE MEMORIZED. If your son/daughter is chosen to compete for GSA in the Spring Competition a skit will be chosen for their team and that skit will have to be memorized.

Moderators are always available to answer any questions at practices or call the school.

We are looking forward to working with your children!!

Sincerely,

Mrs. Michele O'Brien and Mrs. Lynn Prociak
