

PROFILE OF A GRADUATE

- **Morality:** Students will learn to choose right, and to be accountable for the choices that they make. They will learn to demonstrate integrity, and emulate Christian values in their daily lives.
- **Spirituality:** Students will recognize the importance of God in their lives, and develop a life-long relationship with God through prayer, participation in liturgy and the sacraments, and service projects. They will respect and appreciate the diversity of religious practices throughout the global community.
- **Intellect:** As faith-filled leaders and life-long learners, students will demonstrate proficiency in the following instructional areas:
 - **Language Arts:** Foundational Skills, Reading Informational Text, Reading Literature, Writing, Speaking & Listening
 - **Mathematics:** Numbers and Operations, Algebraic Concepts, Geometry, & Measurement, Data, and Probability
 - **Science:** Life Science, Physical Science, Earth and Space Sciences, Environmental Literacy and Sustainability, Technology and Engineering, Scientific Inquiry
 - **Social Studies:** Civics and Government, Economics, Geography, History
 - **Technology:** Computing Systems, Networks and the Internet, Data and Analysis, Algorithms and Programming
 - **Theology:** Church History, Evangelization, Liturgy, Prayer, The Sacraments
 - **Arts and Humanities:** Dance, Music, Theatre, Visual Arts
 - **Physical Education:** Concepts of Health, Healthful Living, Safety and Injury Prevention, Physical Activity, and Concepts, Principles, and Strategies of Movement
 - **Interdisciplinary Opportunities:** S.T.R.E.A.M. Principles, Discovery-Based Learning
- **Social Skills:** During their time at Good Shepherd Academy, students will develop meaningful friendships among their peers beyond social media, treat each other with respect in all social- interactions, and be accepting of differences among individuals. Students will exercise their leadership skills through establishing strong connections with the Guardian Community, and through civic engagement, religious advocacy, and volunteer work-actively consider the well-being of others.
